

Weekly Word From St. Patrick School

JANUARY 7, 2011

WEEKLY MESSAGE

I hope everyone had a great Christmas and New Year. Christmas officially ends January 8, and Sunday, we celebrate the baptism of the Lord. I have always felt that the Advent and Christmas seasons were one of the best times of the year.

We are getting closer to the time we will start doing preregistration for the 2011-2012 school year. I am asking that you give us a helping hand. If you could help us get the word out about our school, that would be greatly appreciated. One of my goals is to grow enrollment by at least 5% every year. Please help us achieve that goal.

CATHOLIC SCHOOLS WEEK

January also brings in Catholic School's week. The start of Catholic School's Week is Sunday, January 30. I will send out a schedule of events for that week in the near future.

PTO MEETING

Next Tuesday January 11, there is a PTO meeting. The meeting will start at 6:15. I encourage parents to come to this meeting. The group is in the process of planning the Spring Gala. This event is the school's largest fundraiser. The Spring Gala is Saturday April 16.

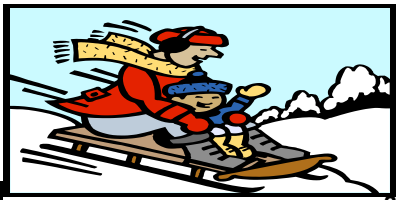

STO

Thank you to all of you who donated to the STO program. This program makes it possible to keep affordability out of the equation for a Catholic education. With the great support of the people in the Archdiocese in Dubuque, the goal of raising a total of \$3,731,405 was reached.

The application process for the next school year will start during Catholic Schools Week. I encourage people to apply for assistance if you feel you need to, or encourage others to apply who may not have children enrolled this year.
