

Weekly Word From St. Patrick School

NOVEMBER 18, 2011

WEEKLY MESSAGE

Thanksgiving is upon us next week. It is a time that family gets together to share a great Thanksgiving meal. If people are anything like myself, they will eat too much, watch the annual football games, and fall asleep about 10 pounds heavier than when the day started.

It is also a time that people go out the day after Thanksgiving to find that one great deal. I will say, I will not be joining you the day after Thanksgiving. I did that once and will never do it again.

However, this Thanksgiving season has a deeper meaning to it. This is truly a time that we can give thanks to God for everything he has done for us. We can thank him for our family, our health, our safety, and many other things that many people in this world may not have.

It also marks the time for the season of Advent. The Sunday right after Thanksgiving is the start of Advent. That is a time of preparation for the coming of Jesus. It is a time to remember that we wait for Christ to come again at the end of time. It also serves as a reminder that Christ is the light of the world.

KINDERGARTEN FOOD DRIVE

The Kindergarten class is having a non-perishable food drive on the 21st and 22nd of November. The food will be collected by the students in the lunchroom. We are trying to

instill the value of everyone having food. During this Thanksgiving season, please help us be the hands of Jesus, and reach out to those who are in need. We want others to know we are Christians by our love.

Thank- you,
The Kindergarten Class

DRESS

It is that time of the year again when cold weather decides to make itself known. Please remember to make sure your children are dressed appropriately for the weather. Please send snow pants and boots with the children if there is snow.

ILLNESS

It is also getting to be that time of year when illnesses are becoming more and more prevalent. Please remember that if your child has a fever, they must be fever free for 24 hours before they can come back to school.

CAMPBELL'S LABELS

Please remember to bring in your Campbell's soup labels. If you need papers to glue the labels to, we have those available here at school. The points we get from this drive helps our school bring in new equipment.
