

# The Weekly Word From St. Patrick School

SEPTEMBER 9, 2011

## WEEKLY MESSAGE

Faith in religion has to do with a strongly held set of beliefs in and devotion to God. It is important that we all strengthen and renew our faith. In our school, we continue to strengthen the faith of staff and children. We also strengthen the faith of children through the religious education program that we have for our students in the public school system.

Another important part of faith formation has to do with adult formation. In order to provide that, I would like to invite everyone to a faith formation opportunity to strengthen your faith. On Sunday, September 18 at 6:30, there will be an opportunity in the church basement to enrich what you know, and learn other things that you may not. Please put that date on your calendar.

## PTO MEETING

You are all invited to join the PTO on Tuesday, September 13. This is a great opportunity to get involved with the school at a deeper level. This group is a very important part of our school. One of the many things they will do during the meeting is starting the process of planning the largest fundraiser for the school: The Spring Gala.

## SIAC COMMITTEE

Our first SIAC meeting is Monday, September 12 at 3:45. At this meeting, we will discuss future times of meetings, academic goals for the year, and data that will be used to measure those goals. I will need some male representatives to this group because it needs to be gender equal.

## PICTURE DAY

Picture day is September 21. We will send out more information at a later date.

## FALL FUNDRAISER

On September 19, we will be kicking off our fall fundraiser. We will be selling food from "Joe Corbi". We had a sample of their food during our open house. More information will come.

## UPCOMING DATES

September 12	SIAC Mtg 3:45
September 13	PTO Mtg 6:15
September 19	Food Fundraiser Start
September 21	School Pictures

September 9, 2011

Dear Parents, Students and Faculty,

Most of you know me as Jack and Livia's Mom. My name is Mrs. Aimee (Eden) Curtis. I was lucky enough to take over Sheila Machart's job as Food Service Director. I have some pretty big shoes to fill, but with everyone's help, things are going great! I do want to thank Sheila for her amazing skills over the past 23 years. I am just now starting to understand what great hurdles she has jumped to make the hot lunch program a success.

In case you don't know me, I have lived in this area all my life. I have a wonderful husband John (Illinois) and two beautiful children. Not only did I attend St. Pats, but my Mom, Patricia Neville, and Dad, Duaine Eden did too. Both of my grandmothers, Alvina Eden and Mary Neville, were also very involved in the Church. Last year I served on the St. Patrick's Board of Education, and loved it. I am very excited to be even more involved.

I also wanted you to know that you can contact me anytime at [stpatslunch@yahoo.com](mailto:stpatslunch@yahoo.com) or call the church basement at 462-2512. I'm usually there from 9am-2pm. I'm hoping you all will be patient with me and the lunch menu. I'm still learning how to put meals together with the correct amount of nutrition, protein, calories etc. There will be days when we have something different that what is on the menu. I will try to send an email the day before a change so you can plan accordingly.

Parents, if you want to come eat with your child, please come. If you can, give Jackie a call or text by 9am that day so we can get you on the count so we make enough food. If you can't call, **come anyway**, we'll find you something to eat!!!! We usually eat from 11:30-12:00.

My door is always open and you can contact me anytime. E-mail is probably the best way of communication.

**Happy School Year,**

Aimee Curtis  
Food Service Director
